What will we be doing?

This two-week intensive will bring together the three disciplines of a well-rounded performer: Acting, Singing and Dancing, into an entertaining Showcase. We will be exploring and mastering all aspects of performing. This experience will be filled with learning exciting ensemble numbers, small group scenes and triple-threat style solos, scene work, technique based dance numbers and more. We plan to prepare the students for life as a performer "in the real world" while honing their passions and God-given talents through an intense and exciting two-week experience. This summer intensive program will end in a full Showcase, highlighting the best of everything we worked on! We know this intensive will push the student and challenge them while being full of encouragement and community with their peers! #FODPAFAM
