OTHER INSTRUCTIONS:

ALL Movement Classes: No Jewelry (stud earrings only), No Gum while in class. This year we encourage all female dancers to wear a leotard of any style or color with their chosen bottoms or under their outfit for class. This allows for ease of movement and for teachers to see their technique better. Plus in classes like acro or partnering it prevents injury from getting tangled in clothing.

All other (non-Ballet) Movement Classes: Hair up, off neck and out of face. Please do not wear your hair down. We suggest leaving hair ties or other hair accessories in your dance bag at all times.

**Leggings are also appropriate for girls/ladies. When choosing shorts be sure that when warming up, dancing and especially stretching we can not see up the legs of the shorts to your undergarments.

*Boys and Men in Movement Classes should wear Jazz Pants, joggers, sweat pants, athletic shorts with Spandex/compression shorts underneath. You should be able to jump and move easily in your clothing.

*NO JEANS EVER.
